

# NICOLAS BORGES

Edison, NJ 08820

Phone: (732) 874-0017 | Email: [nickkdb@gmail.com](mailto:nickkdb@gmail.com)

[LinkedIn](#) | [GitHub](#) | [Portfolio](#)

Full-Stack web/software developer educated in web development through Rutgers University certification program. Developed skills in HTML, CSS, JavaScript, node.js, React.js, and more through Rutgers. Driven to reach goals while lacking a CS degree. Committed countless hours to acquiring expertise in computer science fundamentals, data structures & algorithms, and the ins and outs of popular back-end languages. Recently completed online CS fundamentals and data structures courses provided by Harvard and UC Berkeley, studied programming textbooks front to back, and devoted hours to practicing.

## TECHNICAL SKILLS

**Languages:** HTML, SQL, Java, JavaScript ES6 (Node, Express, React)

**Applications:** MongoDB, MySQL

## PROJECTS
